2017 LEGISLATIVE REPORT

INTRODUCTION

This Legislative Report includes:

Descriptions of key votes: Numbered explanations of votes taken in the Senate and the House include the action voted on (motion, amendment, passage, etc.), together with the Minnesota AFL-CIO's position, the vote outcome and vote totals.

Tables showing key 2017 votes: Grids show whether legislators supported or opposed working families with their votes. The numbered columns in the tables correspond to the numbered votes for the appropriate legislative body.

Definition of right and wrong votes: A legislator's vote is recorded as "Right" (R), supporting the Minnesota AFL-CIO position, or "Wrong" (W), opposing the Minnesota AFL-CIO position. If the legislator was absent or did not vote, "Not Voting" (NV) is recorded.

Lifetime Voting Records: The Minnesota AFL-CIO Lifetime Voting Records of current members of the House and Senate are included on the House and Contents2017 Legislative Priorities2Senate Vote Descriptions3Senate Votes8House Vote Descriptions10House Votes16

Senate grids in the far right column. Only actual "R" or "W" are counted in calculating the percentage. "NV"s are not used in calculating the percentage.

Notes on how votes are selected to this report: The votes chosen were based on one or more of the following factors. The five factors are: 1) Long standing labor principles; 2) Minnesota State Convention Resolutions; 3) Minnesota AFL-CIO Executive and General Board positions/resolutions; 4) Legislative Priorities (page 2); and 5) issues that arise during the legislative session, for which one or more affiliates request assistance,

Votes have been selected for their accuracy as a gauge of legislators' views. Wide-margin votes are avoided, unless they fit one of the five factors above and there are no other significant votes available on an important issue. The legislature often makes critical decisions about the content of legislation through votes on amendments or procedural motions. These votes frequently reveal a legislator's position on an important issue more clearly than lopsided votes on a bill's final passage.

Special Session House File 5 – **Passage** (May 25, 2017/Special Session Senate Journal Page 110)

Special Session HF 5 – authored by Representative Dean Urdahl (R – Grove City) – was a bonding bill that provided \$987.93 million in infrastructure improvements. The bill was regionally balanced, including funding for St. Peter Security Hospital, Anoka Treatment Center, U of M and MnSCU projects, Minneapolis Veterans Home, Metropolitan Council transit projects and a local road improvement program. A 3/5 vote or 81 votes is required to pass a boding bill.

Minnesota AFL-CIO Position: Support Passage Correct Vote: Yea Final Vote: Passed 60 yeas, 2 nays End Result: Governor signed into law.

2. Corporate Interference (Preemption)

HF 600 – authored by Representative Pat Garafalo (R – Farmington) and Senator Jeremy Miller (R – Winona) – stripped local governments of their existing local authority to enact ordinances to improve workplace standards that exceeds state or federal law to protect local communities. 3. Early Childhood – 12 Omnibus Appropriations

House File 890 – **Conference Committee Report Passage** (May 9, 2017/Senate Journal Page

4291)

HF 890 – authored by Representative Jennifer Loon (R – Eden Prairie) and Senator Carla Nelson (R – Rochester) – barely provided an inflationary increase, and, in part, did not expand the Governor's current pre-K program, instead gave one-time funding for a new "school readiness plus" program, which can include pre-K. The bill adversely changes the bargaining system for teachers related to seniority, and sets up a tiered licensure system that is significantly flawed.

Minnesota AFL-CIO Position: **Oppose Passage** Correct Vote: **Nay**

Final Vote: Passed 34 yeas, 32 nays End Result: Governor vetoed bill. Different version of E – 12 bill signed and became law in Special Session, however, the Governor vetoed legislative funding in an attempt to get

> the legislature to return in part to address detrimental changes to educator licensure provisions.

4. Health Carrier Reinsurance

HF 5 – **Conference Committee Report Passage** (March 30, 2017/ Senate Journal Page 2660)

HF 5 – authored by Representative Greg Davids (R – Preston) and Senator Gary Dahms (R – Redwood Falls) – created a taxpayer-funded reinsurance system designed to pay health companies for high cost claims. There was no guarantee the insurance companies would offer affordable premiums, reasonable deductibles and comprehensive provider networks. In fact, an

insurance industry representative acknowledged this in committee testimony.

Minnesota AFL-CIO Position: **Oppose Passage** Correct Vote: **Nay** Final Vote: **Passed 35 yeas, 32 nays** End Result: **The bill became law without the Governor's signature.**

5. Health & Human Services Omnibus Appropriations

Senate File 800 – **Lourey Amendment** (April 3, 2017/Senate Journal Page 3100)

SF 800 – authored by Senator Michelle Benson (R – Ham Lake) and Representative Matt Dean (R – Dellwood) massively reduced funding to programs helping the most vulnerable, cut hundreds of jobs, and delayed payments to doctors, hospitals and other providers. The bill also did not fund or ratify the union contract for 27,000 homecare workers, as requested in the Governor's budget.

Senator Tony Lourey (DFL – Kerrick) offered an amendment to add a MinnesotaCare Public Option Buy-in (Governor's proposal) to offer affordable health care to more individuals & families in counties without at least two insurers marketing at least on silver & one gold level insurance plan. helping the most vulnerable, cut hundreds of jobs, and delayed payments to doctors, hospitals and other providers. The bill also did not fund or ratify the union contract for 27,000 homecare workers, as requested in the Governor's budget.

Minnesota AFL-CIO Position: **Oppose Passage** Correct Vote: **Nay** Final Vote: **Passed 34 yeas, 33 nays**

End Result: Governor vetoed bill. Different version of HHS bill signed and became law in Special Session. The bill funded the union contract for 27,000 homecare workers at fifty percent of the negotiated contract. Some of the worst policy provisions were eliminated, however, the bill still underfunded programs and used a lot of one-time money which will be gone in the next biennium.

Minnesota AFL-CIO Position: Support Amendment Correct Vote: Yea Final Vote on Amendment: Failed 33 yeas, 33 nays

6. Health & Human Services Omnibus Appropriations

Senate File 800 – **Conference Committee Report Passage** (May 9, 2017/Senate Journal Page 4050)

Senate File 1937 – **Ruud Amendment** (March 29, 2017/Senate Journal Page 2609)

SF 1937 – authored by Senator Jeremy Miller (R – Winona) & Representative Pat Garafalo (R – Farmington) – underfunded the Departments of Commerce, Employment & Economic Development (DEED) & Labor and Industry (DLI) leading to job cuts. It also capped the number of state employees by agency. The bill cut funding for equity grants for communities of color, failed to provide vocational funding for job training for those with significant disabilities, & underfunded broadband & economic development funds. Senator Carrie Ruud (R – Breezy Point) offered an amendment to add Voice-Over-Internet- Protocol (VOIP) service deregulation. The provision, supported by large corporations would have eliminated consumer protections, overturned a court decision on appeal in Federal District Court, and would have put local phone companies at a competitive disadvantage. In addition to the Minnesota AFL-CIO, VOIP de-regulation is opposed by the Minnesota AFL-CIO, CWA, Legal Aid and AARP.

Minnesota AFL-CIO Position: Oppose Amendment

Correct Vote: Nay

8. Job Growth & Energy Omnibus

Senate File 1937 – **Conference Committee Report Passage** (May 15, 2017/Senate Journal Page 4733)

SF 1937 – authored by Senator Jeremy Miller (R – Winona) and Representative Pat Garafalo (R – Farmington) – underfunded the Departments of Commerce, Employment and Economic Development (DEED) and Labor and Industry (DLI) leading to job cuts. It also capped the number of state employees by agency. The bill cut funding for equity grant for communities of color adopted in 2016, failed to provide vocational funding for job training for those with significant disabilities, deregulated VOIP service, and underfunded broadband and economic development funds. Minnesota AFL-CIO Position: Oppose Passage Correct Vote: Nay Final Vote: Passed 34 yeas, 30 nays End Result: Governor vetoed bill. Different version of Jobs bill signed and became law late in the Session.

Senate File 803 – **Conference Committee Report Passage** (May 15, 2017/Senate Journal Page 4847)

SF 803 – authored by Senator Warren Limmer (R – Maple Grove) and Representative Tony Cornish (R – Vernon Center) – underfunded the Department of Public Safety impacting more than 180 jobs, underfunded the Department of Corrections forcing the layoff of 250 employees and underfunded the court system. Negative policy provisions, included Appleton prison privatization language, restrictions on an individual's jury award, an anti-consumer gag rule on seat belt use, increased penalties on protesters, and a ban on rulemaking on undocumented workers drivers' licenses.

Minnesota AFL-CIO Position: **Oppose Passage** Correct Vote: **Nay**

Final Vote: Passed 34 yeas, 32 nays End Result: Governor vetoed bill. Different version of Public Safety bill signed and became law late in the Session. Many but not all bad provisions were eliminated. One provision remaining in bill signed into law prohibited any governor's administration from any rulemaking on undocumented worker drivers' licenses.

10. Real ID – Undocumented Workers Drivers' Licenses

House File 3 – *Mariani Amendment* (February 23, 2017/House Journal Page 718)

It also contained a provision prohibiting any rulemaking by any governor's administration of allowing undocumented workers drivers' licenses.

Minnesota AFL-CIO Position: **Oppose Passage** (With Driver's License Provision in Bill) Correct Vote: Nay Final Vote: Failed 29 yeas, 38 nays End Result: A Real ID bill, without the rulemaking prohibition, passed and the Governor signed it into law. However, this prohibition did pass in the Public Safety bill that became law late in the Session – one of the provisions the Governor cited that he wanted removed when he vetoed legislative funding in the State Government Finance bill.

11. State Government Finance Omnibus Policy & Appropriations Bill

Senate File 605 – **Conference Committee Report Passage** (May 9, 2017/Senate Journal Page 3571)

Senate File 605 – authored by Senator Mary Kiffmeyer (R – Big Lake) and Representative Sarah Anderson (R – Plymouth) – cut the funding of agencies under committee purview, board and constitutional officers by 5% - 49%. Hundreds of state workers would have been laid off and significant reductions in services and delivery to the public would have been the result. The bill also put an arbitrary cap on the number of state workers, negatively changed the way state employee contracts could be approved, and negatively changed the school employee health bid process.

Minnesota AFL-CIO Position: **Oppose Passage** Correct Vote: **Nay**

Final Vote: Passed 34 yeas, 33 nays End Result: Governor vetoed bill. Different version of State Government bill signed and became law late in the Special Session, however, the Governor vetoed legislative funding an attempt to get the legislature to return to address three tax cut and two policy provisions.

It contained over \$109 million cuts in the estate tax for the richest 1,000 estates in Minnesota, permanently froze the commercial/industrial (c/i) tax levy, cut tobacco taxes and contained private school tax credit vouchers. Senator Ann Rest (DFL – New Hope) offered an amendment to add expand the provisions of the Working Families Tax Credit (WFTC) to more and younger working people. No one can get the WFTC unless they are working. In 2014 over 350,000 people across Minnesota received the credit with an average credit of \$741.
