Resolutions having support from at least five Organizing Units from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in DFL Ongoing Platform or Action Agenda).

**BE IT RESOLVED THAT:** *(Please print or attach your resolution here. Be concise and use everyday language.)*

**The DFL Party supports passage by the Minnesota Legislature of a comprehensive transportation funding package that will generate new economic development opportunities throughout the state, help retain and attract a talented workforce, create jobs, and keep Minnesota economically competitive; and, be it further**

**RESOLVED: That the state legislature fund Minnesota’s transportation and transit needs with long-term, gimmick free funding – without competing with other dedicated funding streams for other state needs, such as education, health care, economic development, etc.**

*You may add a brief explanation or your two or three strongest supportive points here.*

- Our quality of life and Minnesota’s economic vitality depend on a transportation system with safe road and bridges, easy access to public transit, safe bike and pedestrian paths.
- Nearly half of Minnesota’s roads and bridges are more than 50 years old and in dangerous condition, making it more difficult to move people and goods and services to their next destination.
- A safe, efficient, stable transportation and transit system is necessary for workers to get to work and children to get to school.
- We need transportation investment now to put people to work, expand our economy, and attract new businesses to our state.

*To be filled out at the Precinct Caucus:*
