As a labor organization, we recognize the need to improve the lives of and increase power for working families, bring fairness and dignity to the workplace and secure social equity. We will accomplish this by mobilizing our members to support our causes and through building a strong, diverse, free and democratic labor movement.

We will organize workers into unions, allied by common purposes and mutual reliance. We will recruit generations of organizers, amass resources to sustain their efforts and inspire workers to achieve dignity and security through organization and collective bargaining. We will generate broad understanding among our members of the necessity of organizing among our members, our leaders and all unorganized workers.

We will give political voice to workers in our area. We will fight for a public policy agenda favorable to working families at all levels of government. We will assemble a broad progressive coalition for social and economic justice. We will create a political force within the labor movement that will speak forcefully and persuasively on the public issues that affect our lives.

We will establish unions as active forces in our communities. We will build to make the voices of working families heard in our neighborhoods. We will foster vibrant local and community labor councils. We will strengthen the ties of labor with our allies. We will speak out effectively and creatively on behalf of all workers in our communities.

With confidence and trust in the inherent power and goodness of our people and the promise of unionism, we proclaim this our Constitution.

ARTICLE XI - PER CAPITA TAXES AND FEES

Section 1. Each affiliated local union shall pay a monthly per capita tax of fifty cents (\$.50) on each of its members regularly employed within the jurisdiction of the ALC. A local union desiring to affiliate shall pay one month's per capita tax at the time of affiliation. Per capita tax for succeeding months shall be due on the first of each month thereafter. Per capita tax in each case shall be based on the number of dues-paying members for the preceding month. If per capita tax for any month is not paid by the first of the following month the local union shall be deemed in arrears.

Section 2. Unions that are affiliated with the Minnesota AFL-CIO will receive a twenty-five cent (\$.25) credit toward their per capita tax payment. The number of members for whom a union receives this credit will be based on the proportion of its statewide affiliation and its membership living within the ALC. In no case will a union be credited for more members than the number on which it pays per capita tax to the ALC. This credit will be attributed to the affiliate's account at least semi-annually.

Section 3. Other affiliated organizations (as defined in Article III, Section 1), shall pay an annual fee of \$25. Each organization shall pay one year's fee at the time of affiliating. The annual fee for succeeding years shall be due no later than March 15, and if not paid by the first of April, the organization shall be deemed in arrears.

Section 4. The Financial-Recording Secretary shall notify a local union or other organization that becomes two (2) months in arrears of the delinquency in writing. The Financial-Recording Secretary shall notify the local of their suspension in writing.

Section 5. A local union or other organization which has been suspended, or which has withdrawn from membership, may be reinstated by payment of all amounts due at the time of suspension or withdrawal and the current per capita tax or annual fee. The average membership of a reinstated local union, for purposes of roll call voting, shall be calculated from the date of reinstatement as if it were a new affiliate, unless the affiliate pays the back per capita tax for the months due at the time of suspension or withdrawal. This amount shall never exceed more than four (4) months.

Section 6. The Executive Board, after receiving and reviewing a written request for exonerated members shall be regarded, for purposes of this Constitution, as paid up members for the period

of exoneration, however, the delegates representing such local shall not vote on the question of exoneration

Section 7. A local union paying per capita tax on less than its full, dues-paying membership shall be subject to suspension by the Executive Board under the procedures of Article IX of this Constitution. If the local union shall fail or refuse to produce such proof on request, the Executive Board may base its determination on such evidence as may be available.

An audit shall be conducted at the onset of a term of a new Financial-Recording Secretary.

These funds and assets will only be dispersed or disposed of upon the vote of the delegates of the respective Assembly. Assembly expenditures will be in compliance with this Constitution, applicable laws, and AFL-CIO rules. Section 12. The Executive Board shall develop and periodically update a uniform travel, expense, and reimbursement policy for approval by the delegate body. This policy will be applied consistently to all ALC and Assembly expenditures, and will provide the procedures and limitations for officers, delegates and other authorized persons to be reimbursed for necessary and legitimate expenses incurred in the performance of authorized activities for the ALC. In all cases, an itemized accounting of such expenses shall be submitted to the Executive Board.

Section 13. The General Officers of the ALC shall assure that the Area Labor Council files all such reports as may be required by the national AFL-CIO, including those required by the *Rules Governing AFL-CIO Area Labor Councils and Central Labor Councils*.

- (a) Decisions on candidate and issue endorsements and recommendations in political jurisdictions that fall entirely within the jurisdiction of a Labor Assembly will be made exclusively by the Assembly, unless the Assembly body refers the decision to the ALC;
- (b) In cases where political jurisdictions overlap Labor Assembly boundaries, the affected Assemblies and the ALC Executive Board will work to assign primary responsibility to one Assembly. Each affected Assembly will have the opportunity to participate in candidate screenings and make recommendations to the Assembly with primary responsibility;
