

Minnesota AFL-CIO Sample Caucus Resolution
Early Childhood Education

BE IT RESOLVED: That the _____ party support proposals to increase access to quality early childhood programs taught by licensed professionals by providing more early childhood and family education classes and universal, school-based preschool for all children.

TALKING POINTS:

- All children deserve equal access to high-quality early childhood education.
- Universal pre-K will save working families thousands of dollars in childcare costs.
- School-based preschool allows for curriculum to be aligned between pre-K and kindergarten.
