The DFL Party go on record opposing all “Right to Work” legislation and/or amendment to the Minnesota Constitution which is unnecessary, unsafe and unfair; and be it further

RESOLVED: That the DFL Party work to defeat any legislator that supports “Right to Work” legislation and/or constitutional amendment.

You may add a brief explanation or your two or three strongest supportive points here.

- “Right to Work” is wrong and unnecessary. Studies have shown that workers in “Right to Work” states earn dramatically less per year.
- “Right to Work” states are unsafe. Studies prove the safety record of companies in “Right to Work” states show these states have more on the job employee accidents than states without “Right to Work” legislation.
- “Right to Work” is unfair. The sole purpose of this legislation is to harm unions since unions are required to represent all employees even if they choose not to pay full dues.
