

Minnesota AFL-CIO Sample Caucus Resolution **Protecting Prevailing Wage**

BE IT RESOLVED: That the _____ party opposes all attempts by the Minnesota Legislature to eliminate or reduce prevailing wage rates in the state of Minnesota.

TALKING POINTS:

- The Minnesota Prevailing wage law (state Davis-Bacon Act) has been in Minnesota Statute since 1973 and pays prevailing wage rates to construction workers when state money is involved.
- Construction workers who are paid prevailing wages help strengthen the communities – businesses and schools – in which they live.
